- Coverage is 24 hours a day insurance protection for emergency medical and hospital care as a result of an illness or injury, **and of course, while the athlete is participating in their sport.** When combined with the In Canada insurance, we continue to cover the athletes inside Canada following an accident that occurred outside Canada. The members should always carry the Travel Assistance card when traveling outside of their province / Canada.

#### **OPTIONS FOR TRAVEL MEDICAL INSURANCE:**

There are 3 options for Travel Medical insurance - **Per Trip, Individual Annual Plans (IAP), Group Annual Plan**

- **Per Trip:** \$8.00 a day subject to a minimum premium of \$60 for trips of 7 days or less. We need the dates of travel before leaving Canada.
- **Individual Annual Plan (IAP)** – The member can travel multiple times during the year as long as anyone trip does not exceed 30, 60 or 90 consecutive days. The member does not have to inform us each time they travel, unless they require Top-Up insurance for an extended stay outside of Canada. The premiums are:  
\$315 per year for a 30 consecutive day Individual Annual Plan (IAP)  
\$525 per year for a 60 consecutive day Individual Annual Plan (IAP)  
\$870 per year for a 90 consecutive day Individual Annual Plan (IAP)
- **Group Annual Plan:** Can be arranged for the Sport Organization for their respective members. Please contact us for further details.
